February 2014

## Our January Program: M2020 UPDATE By Tami Warren (OCTA)

### Program:

As part of the Orange County Transportation Authority's (OCTA) efforts to accelerate project delivery bringing mobility improvements early to Orange County residents, the OCTA Board adopted the M2020 Plan. The M2020 Plan outlines the projects and programs that can be delivered on an expedited schedule between now and the year 2020. In all, more than \$5 billion in transportation improvements promised to the voters in M2 is planned to be completed or under construction by 2020. The plan covers all modes of transportation in M2 including, freeways, streets and roads, transit, and environmental mitigation and cleanup. Tami will provide an overview of the plan and the importance of keeping a tight rein on scope, schedule and budget.

*Tami Warren is the Measure M Program Manager for the Orange County Transportation Authority. In her role, she is committed to ensuring that OCTA fulfills the promises made to Orange County voters during the delivery of the more than \$15 billion Measure M2 program. Measure M is the voter approved ½ cent sales tax program for transportation improvements in Orange County. She is responsible for assuring accountability to the taxpayers of Orange County by ensuring efficient management, compliance with the ordinance, fiscal responsibility, transparency to the public and the implementation of safeguards in the delivery of Measure M projects and programs. Tami received her Bachelor of Arts degree in Communications from California State University of Fullerton. She resides in the City of Orange, with her husband John, and her two sons, Scott and Sean.*

### Upcoming Programs:

#### March 27, 2014:

Gabriel Murillo of Iteris, Inc. will present a general understanding of Ethernet.

#### April 24, 2014:

A panel of various agencies discussing Complete Streets.

#### May 2014:

OCTEC / ITE Golf Tournament on Friday, May 9, 2014

ITE / OCTEC Joint Meeting—Student Night on Wednesday, May 21, 2014

#### June 26, 2014:

Kevin Aguigui of Kimley-Horn and Associates, Inc. will present what's new with BRT.

### OCTOBER MEETING

Join us:

Orange Hill Restaurant  
February 27, 2014  
11:30 AM – 1:00 PM

6410 East Chapman Avenue  
Orange, CA 92869  
714/997.2910

**Student Members:** \$15  
**Members:** \$20 before 2/20/14 &  
\$25 until 2/25/14 @ 5PM

**Non-Members:** \$25 before 2/20/14 &  
\$30 until 2/25/14 @ 5PM  
**\$30 at the door without an RSVP for all attendees**

## PREVIOUS MEETING'S RECAP

David Thomas, Riverside County Transportation Commission (RCTC) Project Manager, provided an overview of the State Route 91 Project. This included the criteria used to select project contractors and consultants; project limits, constraints, goals and objectives; and upcoming construction segments and their completion deadlines. The stretch in which improvements will be implemented are shown in the figure below.

For those who are waiting to improve their commute, this project is expected to be completed in 2017. David had provided a copy of his presentation in PDF format for everyone who may have missed the meeting. The presentation can be accessed from the OCTEC website at <http://www.iterisprojects.com/octec/meet.html>

Mark Miller also provided a brief overview of the California Senate Bill 743, especially in regards to the actions he and all of us should be taking to better understand the bill as well as contribute to the outcome of this bill. *The final date to receive comments was Friday, February 14, 2014 at 5PM. The final draft is expected to be released on July 1, 2014.*

Due to the high attendance at our monthly meetings, the OCTEC board is requesting that all attendees register as early as possible for each meeting. To ensure that there is enough seats and food during the day of the event and as an incentive to register earlier for the luncheons, the following cost brackets have been implemented:

- \* OCTEC member tickets up to a week prior to the meeting: \$20
- \* Non-OCTEC member tickets up to a week prior to the meeting: \$25
- \* *OCTEC member tickets within a week of the meeting: \$25*
- \* *Non-OCTEC member tickets within a week of the meeting: \$30*
- \* Non-RSVP at the door: \$30
- \* Students: \$15

OCTEC members, please use your email as the promotional code to activate the member ticket prices. *Note that membership is still open until the end of June 2014.*

**HAPPENINGS...**

**2014 OCTEC MEMBERSHIP**

For anyone who missed the January deadline, the 2014 OCTEC membership of \$25 will remain open for the rest of the OCTEC fiscal year (end of June 2014). Students are still FREE for the first year!

**Traffic Project Manager**

**LIN Consulting** is seeking a qualified individual for the position of **Traffic Project Manager** in our Diamond Bar, CA office. The ideal candidate will have expertise in the areas of traffic engineering design. LIN Consulting specializes in all aspects of traffic, civil, and electrical engineering. The firm has an established reputation for providing engineering services to Caltrans, counties, and cities, as well as to private owners and developers in the Southern California area.

The Traffic Project Manager will be responsible for project/task management, schedule and budget control, plan and report production and review, quality control, and marketing activities. Specific projects may include traffic signal system design, worksite traffic control plans, ITS design, traffic studies, traffic impact analysis, and traffic management plans. Experience with Caltrans PS&E is highly desirable.

Benefit: Profit Sharing Program, 401k Plan, Flexible Hours, Medical, Dental, Paid Time Off and Paid Holiday.

Requirements:

- 8+ years of professional engineering experience in traffic engineering,
- Bachelor's degree in Civil Engineering or a related field,
- California registered P.E. in civil is required,
- Registered California T.E. and/or PTOE is a plus,
- Working knowledge of Microsoft Office and AutoCAD and/or MicroStation,
- Must have solid technical knowledge and effective communication skills in written and oral presentations.

Please send your resume to: [HR@linconsulting.com](mailto:HR@linconsulting.com)
