

October Presentation:

**Los Angeles County’s Deployment of ATC DC Cabinets**

Speaker: Erick Guzman (LA County Department of Public Works)

Erick Guzman is a Civil Engineering Assistant with the LA County Department of Public Works where he provides engineering field support to traffic signal electricians, painters, and sign posters. He received his Bachelor of Science degree in Civil Engineering from Cal Poly Pomona in 2009. He served 6 years with the Army National Guard specializing in Avionics repair and received his Repairmen certification from the US Army School of Missiles and Munitions in 2001. He is a current ITE member and PE candidate.

President’s Address

*Fellow OCTEC Members,*

*We had a great turn out at our new location for the September meeting, along with two entertaining and informative presentations from Jim Leslie/Econolite and Steve Mager/Traffic Technology Services (TTS) on Connected Vehicles.*

*Earlier this month, we had our annual Fall Social Mixer at Dave & Buster’s with nearly 60 attendees that came together for food, drinks, good conversations, pool & shuffleboard and watching a couple great games. We also had over 16 individual raffle prizes provided by are great sponsors including AimTD, Albert Grover and Associates, Econolite, ECORP Consulting, Inc., Iteris, KOA, and Western Pacific Signal. Thank you again to all of our sponsors and for another great event! A Spring Mixer is tentatively scheduled for March 9, 2017.*

*This month we are continuing what was started last year with a joint meeting with ITE SoCal. Erick Guzman/Los Angeles County Department of Public Works (LADPW) will be presenting on the deployment of ATC DC Cabinets within LA County. The ITE SoCal and OCTEC lunch sponsors for this meeting are Econolite and Kimley-Horn, respectively.*

## President's Address (continued)

*A reminder that OCTEC will be going "dark" for the months of November and December, but we will once again be joining forces with ITE SoCal and Riverside San Bernardino ITE for the annual Joint Holiday Mixer that will be held on December 7th at Los Coyotes Country Club.*

*Additionally, we will be opening up an Eventbrite page in late December for the annual OCTEC Membership Drive. We encourage you all to become OCTEC members and register during this membership drive; those registering early (i.e., before the January 26, 2017 meeting) will be eligible for raffle prizes that will be announced at the January meeting.*

*Sincerely,*

*Keith Rand  
OCTEC President 2016-2017*

## OCTEC NEWS

### September Lunch Meeting Summary

We would like to again thank our two speakers, Jim Leslie (Econolite) and Steve Mager (TTS) for their presentations. These included connected vehicle concepts deployed and emerging, as well as an indication of feasible interactions with future traffic control systems to come, complete with videos and informative animations.
